

INSUL-ANCHORS

SPINDLE INSULATION ANCHORS

CONTINENTAL Spindle, Insul-Anchors simplify the permanent installation to porous construction surfaces and non-weldable materials. They can be applied quickly and easily using only a putty knife and **CONTINENTAL** Tactoo' General Purpose Adhesive.

CONTINENTAL Tactoo' General Purpose Adhesive is available in 1 gallon cans. The coverage is approximately 600 - 800 standard anchors with 2" x 2" plate per 1 gallon can.

To complete the insulation fastening operation, **CONTINENTAL** Spindle Insul-Anchors are used in conjunction with **CONTINENTAL** Self-Locking washers.

For more information concerning the application of insul-anchors, see the reverse side of this page. For more information concerning general purpose adhesive refer to the adhesive section of this catalog. For more information concerning self-locking washers refer to the Washers, Caps and Nuts section of this catalog.

Tactoo is a registered TRADEMARK of AGM Industries Inc.
