

SIMPLE SAVER SYSTEM®

The Simple Saver System is ideal for high performing sports and athletic facilities.

Successful athletes constantly pursue new methods that may give them a competitive advantage. Similarly, if your day to day challenges include growing a successful sports/athletic facility while minimizing operating costs, you must constantly look for new methods of operation—and Thermal Design's Simple Saver System can help. The Simple Saver System was designed to reduce common building structure maintenance while providing a comfortable indoor temperature for your users, thus providing for a more pleasing experience and increased performance.

The Simple Saver System strives to be the best insulation system on the market for athletic facilities, allowing them to reduce their operational costs. The System provides:

- Impact-resistant, highly durable vapor retarder facing that holds up against pucks, balls, and other flying objects.
- Full, uncompressed installed R-values of insulation.
- Lower monthly energy costs with up to 50% reduction in HVAC equipment.
- A bright and clean interior requiring fewer light fixtures with light reflectivity up to 85%.
- Better acoustics with higher sound absorption (75% noise reduction).
- Minimizing the three heat transfers commonly associated with metal buildings (conduction, convection and radiation) that lead to heat gain and loss.
- Class A fire safety rating that may assist in reducing property insurance premiums.
- Easy accessibility for various ceiling hangers for attaching common items such as banners while preserving the integrity of the vapor retarder.
- Free design-build energy analysis sales materials.

The Simple Saver System has helped thousands of facility managers minimize their energy consumption and maintain a quality atmosphere for their users. If you are building new or contemplating retrofitting an existing facility, consider using the Simple Saver System in your next project.

Call Thermal Design today at (800) 255-0776 for more information on why the Simple Saver System is the best solution for your sports and athletic facilities.
